

EDITORIAL

Dear members of Bharatiya Sangyaharak Association (A.A.I.M.) and readers of Sangyahan Shodh, we all know that our ministry of AYUSH under dynamic leadership of Prime Minister Shree Narendra Modi ji, is working hard for development of all the branches of Indian System of Medicine. The Government empowered us to practice 58 surgeries but till now restoration of Sangyahan P.G. Course is pending. All of us know very well that without services of Sangyahan all these surgeries are not possible. Therefore, through our Association we are trying our label best to convince the authorities of AYUSH and NCISM to restore M.D. Ayu. Sangyahan. We organized our 22nd National and 7th International Conference at Government Ayurvedic P.G. College and hospital, Varanasi on 20-21 March 2022. The eminent Ayurvedic Administrator and academician witness the occasion with their presence. They all were very well concern about the restoration of Sangyahan P.G. Course. During the General Body meeting of Association, it was unanimously pleaded and proposed to send a resolution to the Ministry of AYUSH to take necessary steps for restoration of P.G. Sangyahan to strengthen the Ayurvedic Surgery. Thanks to Prof. Neelam Gupta, Principal-Government Ayurvedic P.G. College and hospital, Varanasi and her team for good arrangement of conference and full support to the mission Sangyahan restoration.

I hope for a better future of Ayurved and Ayurvedic surgery.

Jai Hind

Jai Ayurved

Jai Sangyahan

Dr. D.N. Pande

Chief Editor, Professor & Former Head, Deptt. of Sangyahan, I.M.S., B.H.U., Varanasi-05
